Southold Schools Athletic Association

Southold School Families

The Southold Schools Athletic Association is a **volunteer** service organization that **supports** all of the **athletic programs** and **functions**.

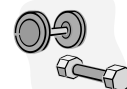

Every year we **sponsor** the **Senior Varsity Awards Dinner**,
High School Awards Nights & Jr. High Awards Breakfast

A strong Association is what we are striving for,
one that will benefit our Athletes currently involved in the Southold Schools Athletic Program
and **Southold Schools Future Athletes** who will be involved as they **reach Jr. & Sr. High School**

In addition, we have **purchased** the **flooring** for our
renovated weight room, **banners** that adorn the gymnasium, **soccer goals**,
as well as **senior plaques** and **championship plaques** for our athletes & teams.
